Description

Dromex® DW-CONTI-S jacket and pants suit is a strong, lightweight and durable work garment designed to provide the user with protection against mechanical hazards such as abrasion.

The DW- CONTI-S is a blend of 80% polyester and 20 % cotton which is an affordable alternative to 100% cotton with the benefits of sturdiness and colour fastness of polyester and comfort of the cotton.

Packaging, Storage & Obsolescence

Dromex® DW-CONTI-S are packed in individual polybags and sold in the following quantities:

Royal Blue

- Size 30 - 48 = 20 per carton.
- Size 50 - 64 = 10 per carton.

Other colours

- Size 30 - 64 = 10 per carton.

Should there be visible damage such as tears, it is recommended to replace the garment immediately.

Cleaning & Maintenance

- The following suggestions will help keep your garment safe and neat:
- Polycotton garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and setting are adhered to.
- Should home procedures not remove contaminants, then dry cleaning is recommended.
- Our recommended cleaning for these garments is as follows:
 - Pre-treat greasy stains and wash the garment in warm water with a light cleaning solvent.
 - Do not use Hypochlorite bleach or detergents containing Hypochlorite bleach.
 - Chlorine bleach may cause fading and reduce fabric strength.
 - Do not overload home laundry equipment.
 - Do not tumble dry garments.
 - Thoroughly rinse the garment to remove any wetting agents.
 - Do not hang in direct sun.
 - Sunlight can cause fading and reduce fabric strength.
 - Iron the garment on low heat.
 - When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.
