Packaging, Storage & Obsolescence

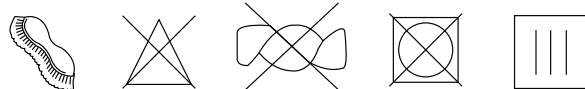

DW-BELT is packaged in a re-sealable poly bag.

Cleaning & Maintenance

Leather belts should not be left in a contaminated condition if re-use is intended especially if potential hazards exist. The belt should be decontaminated before storage and re-use as indicated below:

- Brush excess dirt and contaminant off.
- Wipe with a damp rag, soaked in mild detergent.
- Dry leather belt with a clean soft rag to remove excess detergent and allow to air dry thereafter. Stiffening of the leather may occur.
