THERMAL PUFFER JACKETS

DB-PJ-RB

Description

The Dromex® Puffer Jacket with synthetic down, is a classic, stylish, soft, lightweight, thermal and water-resistant garment that protects the user's body and undergarments from the hazards of rain, water splashes, light snow and cool to cold temperatures.

This jacket features the following:

- Insulation and warmth when wet and offers great water resistance and breathability.
- Fast-drying fabric outer.
- Easy wash care.
- Available in 2 designs, solid colour or 2-tone option.
- Chunky zip closure with the Dromex® rubberized zip fastener.
- A high stand collar which provides further thermal coverage and protection around the neck region.
- Elasticated cuffs and waist for a snug fit.
- There are 2 waist pockets with reversed coil zippers, providing, ideal water-resistance protection whilst the 2 deep inner jacket pockets provides additional storage and protection for personal items.
- Reflective Dromex® branding elements.
- Hypoallergenic and vegan.

This jacket is suitable for applications where there is exposure to rain, water-splashes, cold environments, light snow, hiking activities, outdoor work,

contractor applications, corporate attire and promotional wear.

Special Instructions

Code: DB-2TPJ-XX / XS to 5XL.

Packaging, Storage & Obsolescence

The standard packaging for the puffer jacket is as follows:

Each jacket is packaged in a polybag and sold individually.
Store the jackets in its original packaging in a cool dry place and out of direct sunlight.

Cleaning & Maintenance

Do not machine wash.
Do not bleach.

Do not use fabric softener as this product compromises the characteristics of the fibres in the jacket.
Do not tumble dry. Puffer jackets may not keep their shape when placed in a spin cycle.
Do not iron. This garment may not be smoothed or finished with an iron as steam and heat can ruin the outside fabric and insulation.
Do not dry clean. This garment may not be commercially dry-cleaned.
Cleaning of this garment is best done using a mild detergent with deodoriser, wipe clean or air dry.

Disposal

All industrial waste should be disposed of correctly according to local regulations and good disposal practice. Please consider recycling.
